Pediatric Otolaryngologist

Description

Metro Atlanta and Southeast Pediatric Otolaryngologist

Pediatric Otolaryngologist-Pediatric Ear Nose and Throat of Atlanta- Physician-Led Medical Group

SIGN ON BONUS—see below

We are seeking a BC/BE Fellowship trained physician with a passion for clinical work and a collegial spirit to join our team of tertiary Pediatric Otolaryngologists in Metro Atlanta. The successful candidate should have an interest in contributing to a strong clinical program in Otolaryngology with expertise in pediatric care and have demonstrated the potential for supporting team members and family/patient focused care. 100% clinical pediatric practice with academic opportunities, if interested, through local school of medicine in the department of Pediatrics, Surgery and Physician’s Assistant programs.

Developing a subspecialty niche depending on the physician’s interests will be encouraged if desired. Airway surgery, hearing loss and/or a cochlear implantation, head and neck are all potential areas of development given a physician’s defined interest. The support and multidisciplinary care approach is in our care network. Leadership opportunities in clinical care, education and advocacy are available.

Pediatric Ear Nose and Throat of

Hiring organization
Pediatric ENT of Atlanta

Employment Type
Full-time, Part-time, Contractor, Temporary

Date posted
July 1, 2024

Atlanta provides coverage at the largest Children's Hospital in Georgia and the Southeast.

Pediatric Ear Nose and Throat of Atlanta is a seasoned 30-year practice with deep roots in the community and part of the fabric of pediatric medicine in the southeast. We are leaders in patient advocacy and quality tertiary care. We have a robust hearing loss/cochlear implant program, head and neck service and well as everything "bread and butter".

DO YOU ALSO WANT EXTRA PASSIVES INCOME?

As a member of our private physician led team, you will be eligible to join the Children's ambulatory surgery center as a shareholder.

In a Pediatric Otolaryngologist career with Pediatric Ear, Nose and Throat of Atlanta, you'll experience:

- Collaboration with an experienced team of well trained and evidence-based surgeons with over 50 years of combined experience.
- Join on to a team supported by many PAs/NPs as well as a large pediatric audiology department, inpatient hospital service support and call support.
- Being at the forefront of leading-edge thoughts leading to delivering high-quality care to patients.
- Join a growing team at a practice with over 30 years of community presence
- Physician-led practice with surgeon support that is dedicated to the needs of our patients AND providers.
- Operating at pediatric subspecialist surgery centers and inpatient hospitals.
- Coverage at the state-of-the-art Children's hospital.
- Minimally invasive technology and access to specialized team care.

Practice locations:

- Pediatric Ear Nose and Throat covers Children's Healthcare of Atlanta—offers both inpatient and ambulatory care, 24/7 Children's ER, a PICU, NICU and Children's Surgical Center. Within the physician practice network there are general pediatricians and more than 20 pediatric specialties.

Position Highlights:

- Office Hours/Schedule: 8-4:30
- Call is average 1:4, assisted by nurse practitioners/OR nurses
- Generous attainable bonus structure
- Competitive salary
- Paid time off program
- Multiple health, dental, vision and wellness packages
- Annual CME allowance
- Retirement savings plan with associated profit-sharing plan
- Relocation compensation available
- **\$30,000 Sign on bonus with commitment by January 10th 2025**
